Winter Reminders

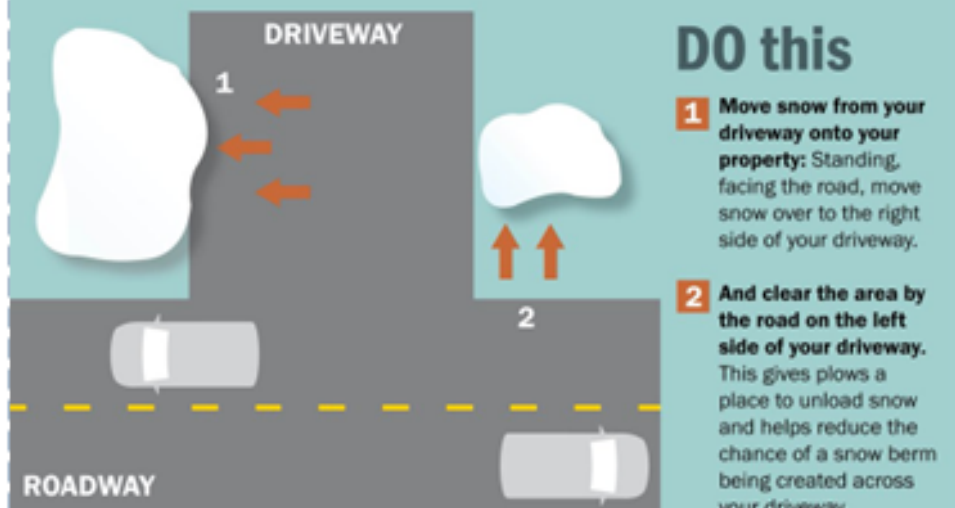

One never knows what the winter will bring as far as the amount of snowfall, so please keep in mind that Fredon Township Ordinances state that **"no snow which accumulates within private property is to be thrown, placed or deposited upon the sidewalks, streets or public roads of the Township"**. Additionally, please make sure that any private contractor plowing your driveway complies with this ordinance, as it is the property owners' responsibility. Snow plowed, blown or shoveled onto the roadway often creates an unexpected hazard for drivers. Noncompliance with this ordinance may result in a notice of violation and fines beginning at \$100.00.

**No parking on any street 24/7
from November 1 to April 15th**

Residents are reminded that parking on any street at any time from November 1st through April 15th is prohibited in order to facilitate snow removal.

DRIVEWAY SNOW REMOVAL

Wondering what's the best way to plow your driveway to help avoid safety issues and snow berms? Here's what we recommend:

NOT this

Move snow from driveways into the road or right-of-way: It's illegal to push snow into or across roadways and rights-of-way. This can create a hazard for people traveling the road, such as drivers, bikers and snow removal equipment operators.
