Lodestar Park - if you bring your dog...

Lodestar Park has been friendly to dogs and those responsible for the park recognize that it is a great place to walk your dog. However, Lodestar Park is not a “dog park”, rather, a park where dogs can be with their owners. Unfortunately, there have been quite a few dog owners who disregard the park’s regulations and posted signs. This disregard for the regulations puts the existing policy at risk. If the current policy of permitting dogs in Lodestar Park is to continue, the regulations must be followed by everyone. While many may feel their dog is the exception to the rule, none are.

**Please keep Lodestar “friendly” to dogs
or you may lose this privilege.**

Section 5-13.2 of the Fredon Township General Ordinances state that no person owning any dog shall permit it to be upon any public place in the township unless it is controlled by an adequate leash not more than six feet long.

It takes a cooperative effort to make the park safe and comfortable for everyone, so please be aware of your surroundings and be considerate of others. This is for both the safety of your dog and the safety of others enjoying the park. Leash laws exist to protect animals and people, and we urge you, as a responsible pet owner, to abide by them.

In addition to the leash law, please follow these simple rules while visiting Lodestar Park:

- **Please respect other park visitors: do not let your dog chase or jump on others, including other dogs.**
- **Please stay with your dog at all times.**
- **Please clean up after your dog and dispose of waste in trash cans located in the park.**
