Finding #1  Segregation of Duties

1. Description: Adequate segregation of duties where possible be maintained with respect to the recording and treasury functions.

2. Analysis: This is due, in most part, to the limited number of personnel of the Township, accordingly, management and the Township Committee are aware of this situation and realize that concentration of duties and responsibilities in a limited number of individuals is not desirable from a control point of view.

3. Corrective Action: Due to budgetary constraints, no resolution can be made at this time.

4. Implementation Date: Continues to be monitored.

Finding #2  The transfer amount to tax title liens as well as the tax levy posted be reconciled and corrected.

1. Description: During the course of the audit, it was noted that the transfer of prior year taxes to tax title liens as well as the tax levy posted was not in agreement with the prior year analysis of taxes receivable.

2. Analysis: Management will make an effort to facilitate an adequate explanation of why the deficiency occurred.

3. Corrective Action: Efforts will continue to be made to ensure that the tax collector reconcile and correct the transfer amount to tax title liens as well as the tax levy posted so they are in agreement with the analysis of taxes receivable.

4. Implementation Date: May 12, 2016

RESOLUTION OF THE TOWNSHIP OF FREDON, COUNTY OF SUSSEX AND STATE OF NEW JERSEY OPPOSING THE STATE LEGISLATURE’S GAS TAX OF $0.23 PER GALLON

WHEREAS, the Mayor and Committee have discussed the State Legislature's and Governor's proposal to increase the gas tax by $0.23 per gallon; and

WHEREAS, the Mayor and Committee recognize that Sussex County has over 40,000 commuter trips from the County's residents that extend throughout the State of New Jersey; and

WHEREAS, these commuters will likely expend in excess of $300 per year as a direct result of the $0.23 per gallon gas tax proposed by the Governor and the certain State Legislators; and

WHEREAS, the Mayor and Committee believe that based on the geographic location of Sussex County, this tax will provide an inequity to the residents of Sussex County in that these commutes to Morris, Passaic, Essex and Bergen Counties will be more costly and cause a financial hardship to the residents of Sussex County; and

WHEREAS, the governing body discussed the overall economic hardships that this gas tax, as well as the deprivation of municipalities receiving the energy tax receipts which have been retained by the State of New Jersey as opposed to being provided to local governments, has resulted in a tax burden that is harmful to the overall quality of life of the residents of the Township of Fredon and Sussex County; and

WHEREAS, the Mayor and Committee hereby demand that our local legislators recognize the inequity of a gas tax that is exacerbated by the fact that residents of Sussex County will pay even more than average $300 per year in additional taxes to the State of New Jersey if in fact this is approved.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Committee of the Township of Fredon, County of Sussex and State of New Jersey that the governing body of the Township of Fredon vigorously opposes, objects and urges our State Legislative representatives to oppose this $0.23 gas tax.

BE IT FURTHER RESOLVED that a copy of this Resolution be forwarded to the Township’s local legislators and all Sussex County Municipalities urging to take action to oppose the legislation on behalf of Sussex County residents.

This Resolution shall take effect immediately.
